Orientações

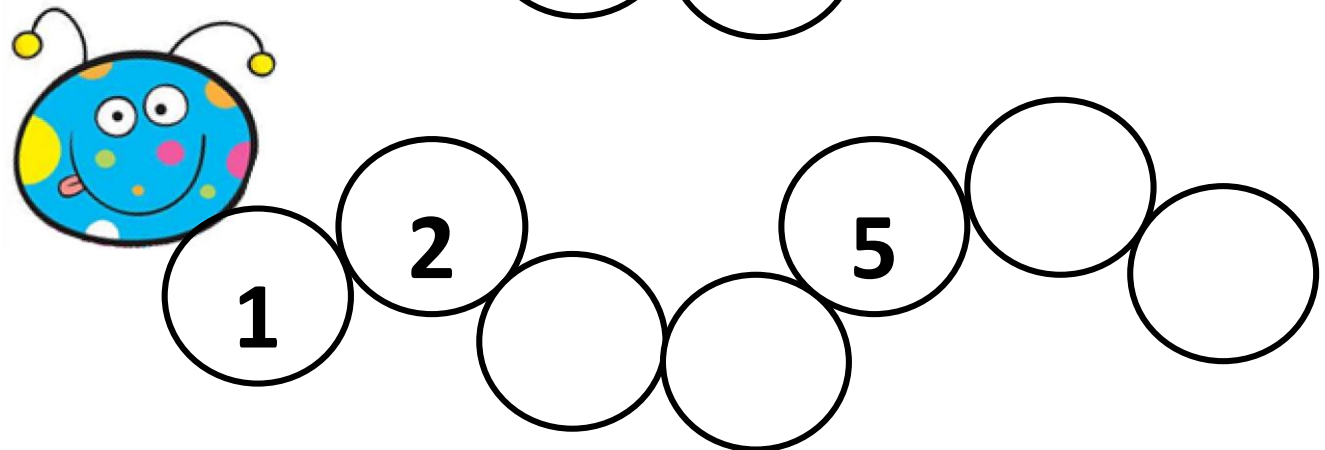

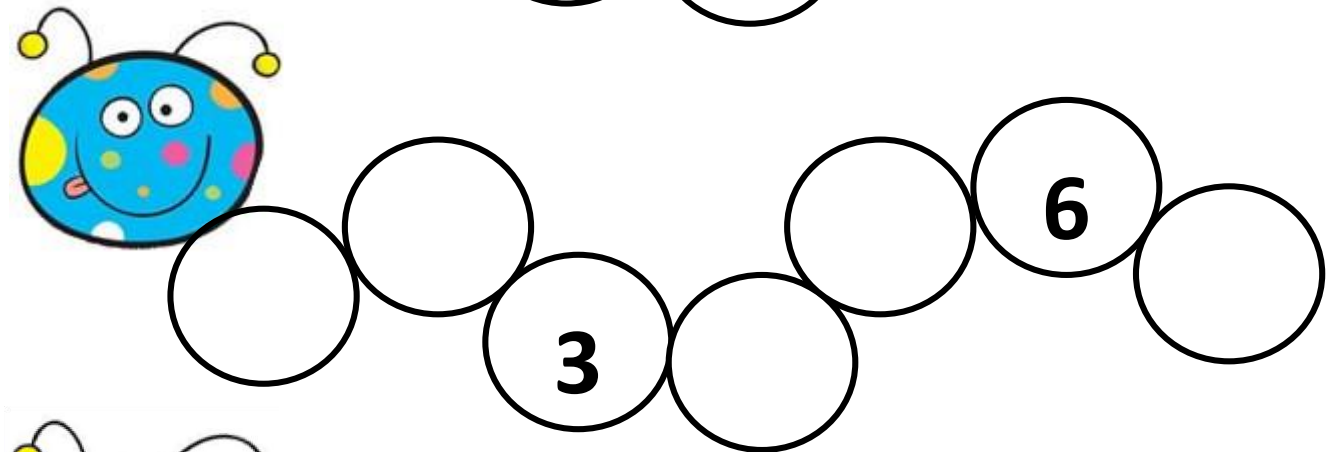

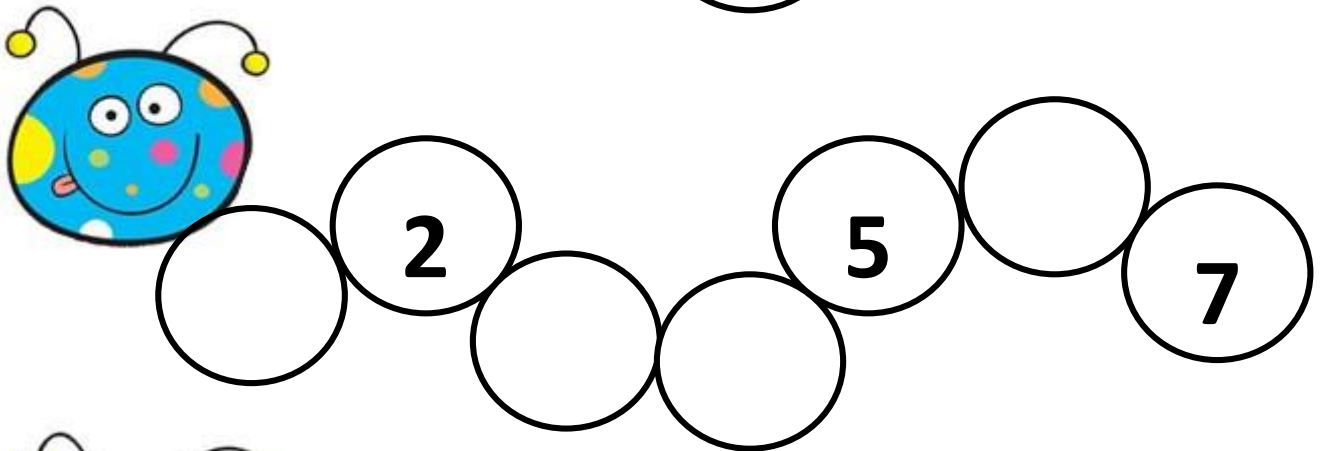

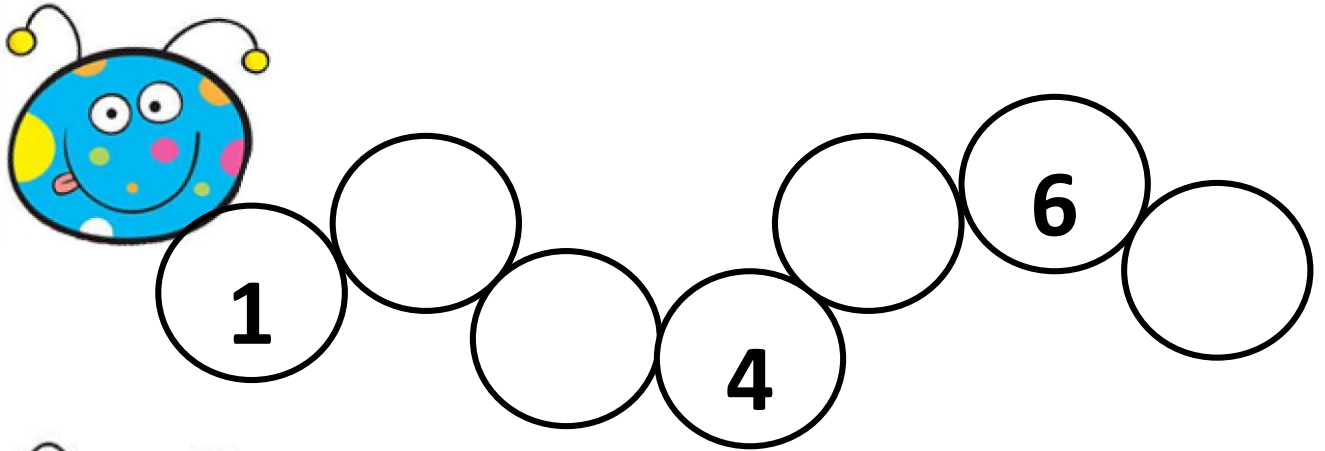

Olá! Esse material foi elaborado com todo cuidado pelos Professores do Atendimento Educacional Especializado, Equipe técnica do CREEL, Interpretes de LIBRAS e Coordenação de Educação Inclusiva, para ajudar os nossos alunos com Necessidades Educacionais Especiais a continuarem aprendendo mesmo que longe das salas de aula. Por isso, acreditamos que elas possam ser realizadas no cantinho de sua casa, com ajuda da sua família e com muita alegria, já que construir conhecimento também é um momento prazeroso. Ao concluir as atividades devolva para sua escola, ela servirá para que possamos planejar o nosso retorno às aulas.

Estamos com muitas saudades, mas certos de que logo logo estaremos juntinhos novamente.
